

FPPA

The Flexographic Pre-Press Platemakers Association's (FPPA) purpose is to create, promote and enhance high standards within its industry, to provide leadership through vision and direction, and to strengthen education at all levels. Our mission is to provide the communication, training, information, and standards you need to remain successful and profitable.

Online Communication

- FPPA's internet site, www.fppa.net, offers access to association information, events, member updates and more
- Access a library of articles authored by FPPA's legal counsel and Technology Committee

Management & Training Workshops

- Annual Convention: current topics, Q&A, board inductions, sales expenses, and insurance
- Management Workshop: industry updates, trade shows, research presentations
- Educational programs for CEOs, managers, and employees

Educational Literature

- Read FPPA-conducted research on topics such as wages/benefits, market size & growth, sales expenses, and insurance
- Read Association-related news
- View FPPA press releases and reports

The Newsletter for the Flexographic Pre-Press Platemakers Association

On-Target

& Other Publications

- Printed in Spring and Fall, *On-Target* summarizes workshops and conventions
- Features the latest FPPA industry and member news and achievements
- New Members: highlights new FPPA members
- Board Member Recent News: specific company updates, announcements

"The FPPA has provided my company with the opportunity to network with top-notch companies and individuals within the platemaking industry. I enjoy the friendships that I have developed over the years; the support and information that I receive from the association is priceless."

Laura Wright, President, CSW Inc.

Awards

Technology Innovator of the Year Awards Program

- This award program recognizes the application of innovative technology that contributes to the advancement of the pre-press industry
- All members are eligible to enter
- Past winners have received widespread coverage in the industry trade publications as well as recognition from customers and peers

Sustainability Achievement Award

- This awards sustainability achievements within an administrative or production area of the pre-press, platemaking process

Upcoming Events & Meetings

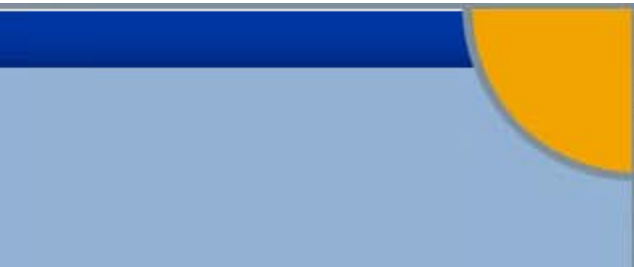

FPPA's gathering of leaders in the platemaking industry, the Annual Convention provides an arena to discuss key business issues and hear from suppliers on the latest technological developments and trends. Members develop lasting business relationships in a casual setting that encourages networking and inspiration.

Discussion topics include:

- Motivational/sales & leadership seminars
- State of the Industry presentations
- Supplier presentations on new technology

View Upcoming Events & Meetings at:

www.fppa.net/events/index.cfm

"I don't belong to any other organization like it. The FPPA fills in the gaps. Top-notch, informative, intimate, up-close—that's how I would describe the FPPA."

Neil Saunders, 2008 FPPA President (Container Graphics, Corp.)
